FAX DISTRIBUTION # 17

TO: Airport Tenants

FROM: Cynthia Stewart, Airport Manager

RE: Weekend Closures

Once again, there is a great deal of earthquake repair planned for the weekend. Much of this will involve closures of different facilities for various periods of time. This weekend, the work is weather dependent, so **what is shown below is subject to good weather and to being changed at the last minute.**

Saturday April 28, 2001

These are the **facility changes** that will be needed on Saturday in order to perform the work listed below:

1. **Close main Runway 13R/31L from 0930 hrs to 1530 hrs** (UPS has agreed to an early departure)
2. **Increase short Runway 13L/31R operating weight & aircraft category to 30,000 lbs.- 0930 hours until further notice.**
3. **Close Taxi B from B-4 north to B-6 north - 0930 hrs to approximately 1800 hrs local.**
4. **Open approximately 4000 feet of main runway (south flow) as soon as Taxi B-5 work (Task #2 below) is complete, approximately 1530 hrs.**
5. **Open approximately 5000 feet of main runway for arrivals & departures as soon as the main runway work (Task # 3 below) is complete.**

Planned Repair Activities:

1. Pave around Runway 31L PAPI, & construct paved areas at PAPI controls
2. Mill & pave Taxi B-5 & adjacent runway area; pipe line adjacent to this area.
3. Mill & pave main runway at approximately midfield.
4. Repair service road at Boeing north ramp entrance.
7. Storm drain line repairs at King County Jet Center.

The reduced operating length of the main Runway 13R/31L will remain in effect until the new runway pavement has sufficiently cooled & is able to handle large aircraft. Full runway length is anticipated to be available Sunday at 0600 hours.

Sunday April 29, 2001

The following facility changes are needed:

1. **Restrict access on Taxi A - time & duration TBD.**

Planned Repair Activities:

1. Mill & pave Taxi A north of A-6
2. Pave miscellaneous areas at Terminal ramp, Taxi A-5, & A-3.

Decisions to proceed or cancel these plans will be made late in the day Friday.

Please note that there are no plans in place to close the main runway on Sunday. Any cancellation of Saturday's activities will require that they be rescheduled to another weekend.

The purpose of this notice is to give you as much planning time as possible, but **PLEASE WATCH THE NOTAMS FOR CHANGING DETAILS.**

As always, we apologize for the inconvenience to you, and thank you for your patience, because this work is essential to returning to normal operations. If you have any questions, please do not hesitate to contact me or Mike Colmant at 206-296-7380, or via e-mail: cynthia.stewart@metrokc.gov.

THANK YOU AGAIN FOR YOUR CONTINUED PATIENCE!
